Description

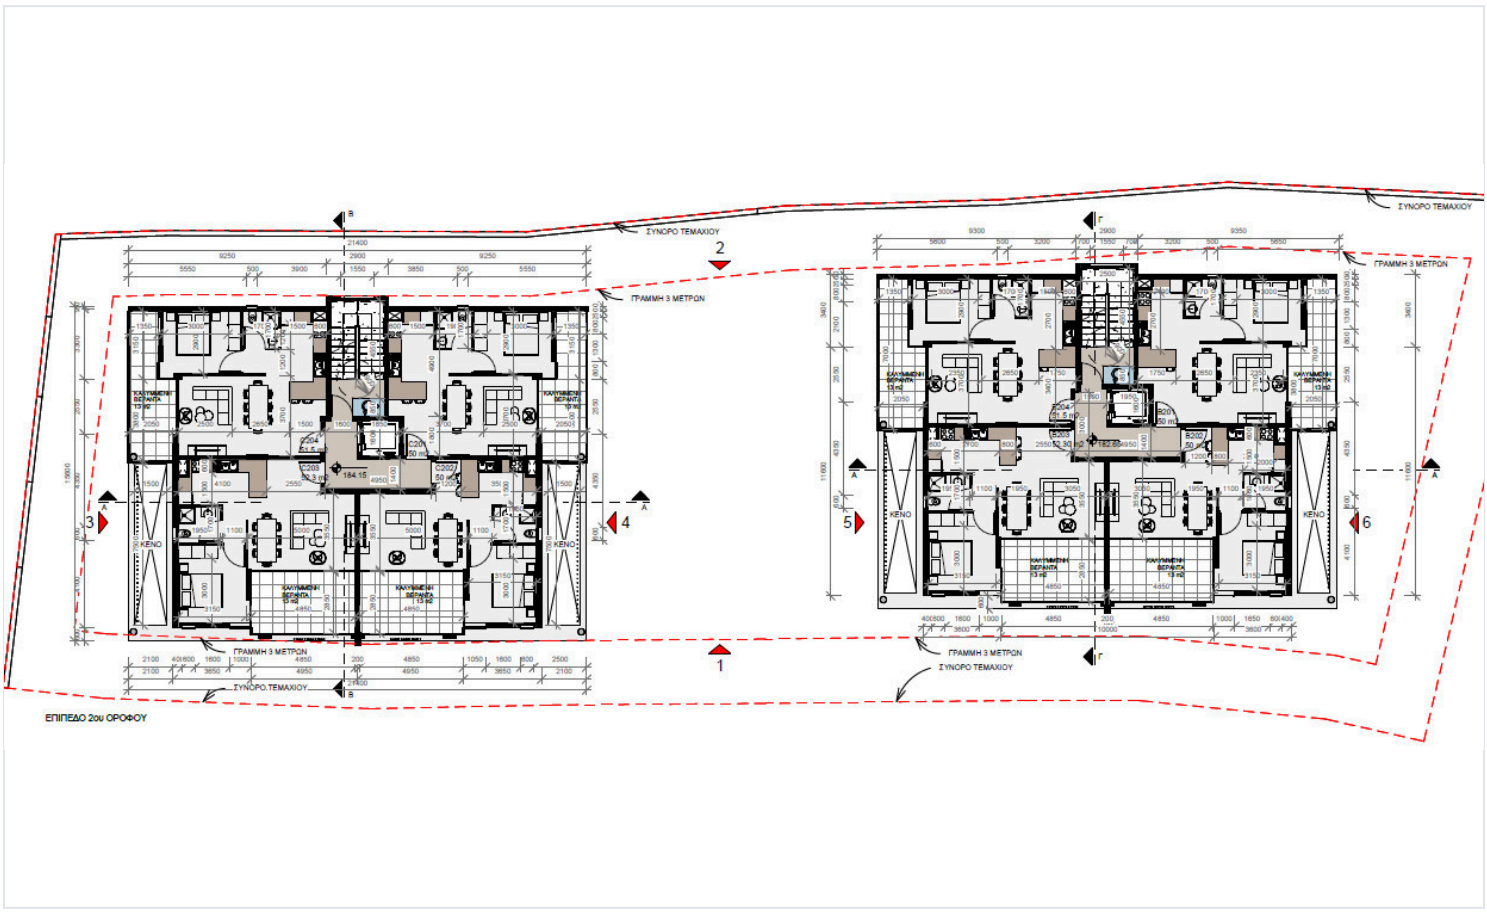

The project offers one- and two-bedroom apartments and three-bedroom penthouses, with balconies that extend living space outdoors. Selected units include a private roof terrace and jacuzzi.

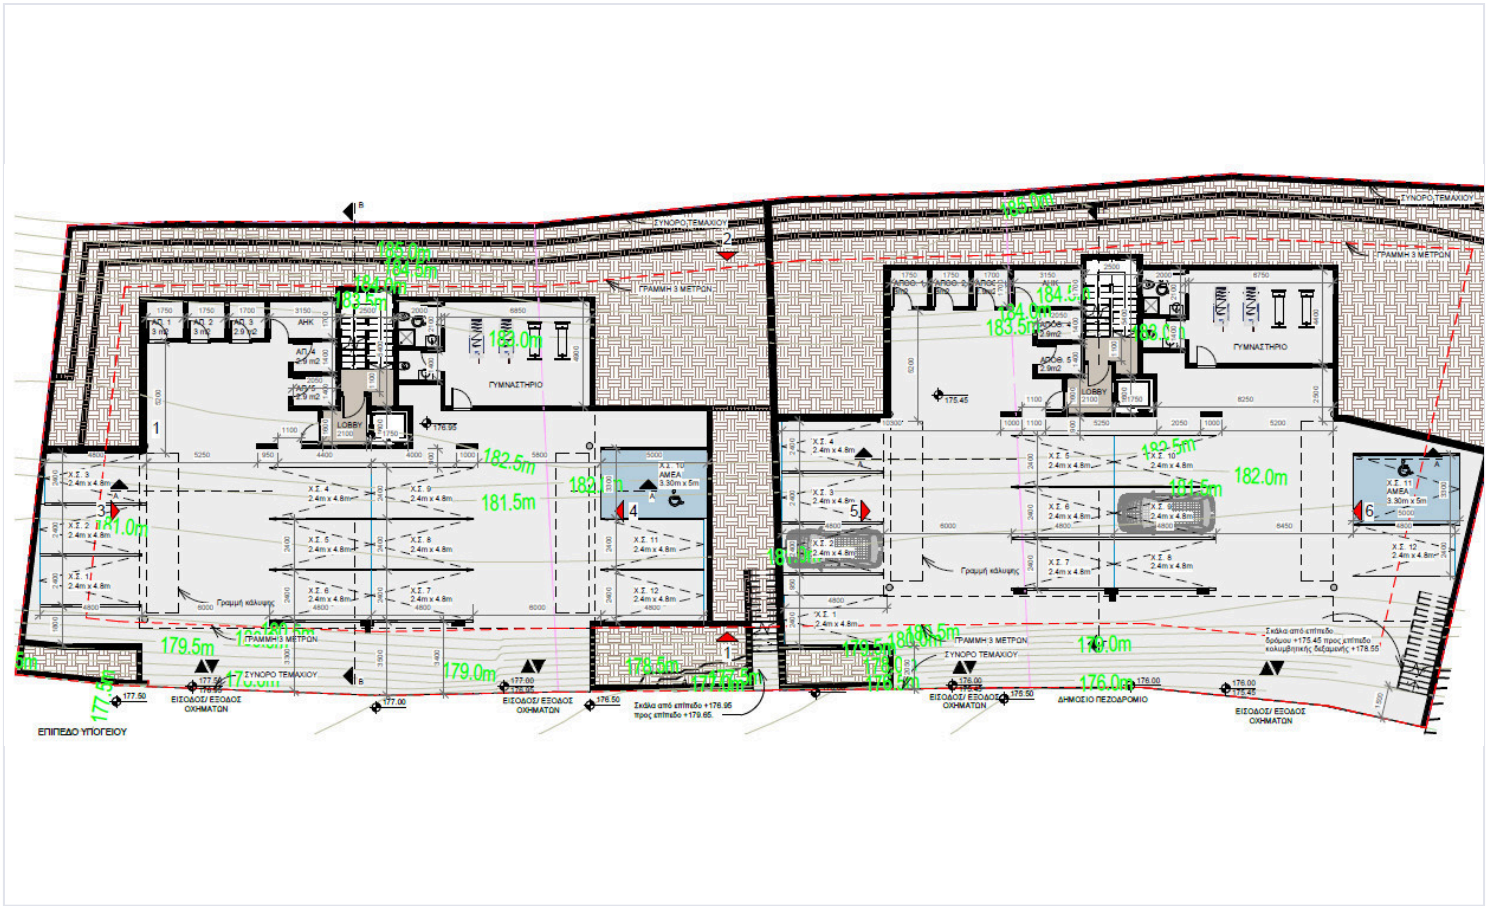

Open-plan living, large windows and direct access to the balcony create a home that is easy to live in and to entertain in. Smart layouts make the most of the space, and a
quiet palette leaves room for personal style.

The location brings together a quiet setting, a sense of space and everything you need day to day.
