Description

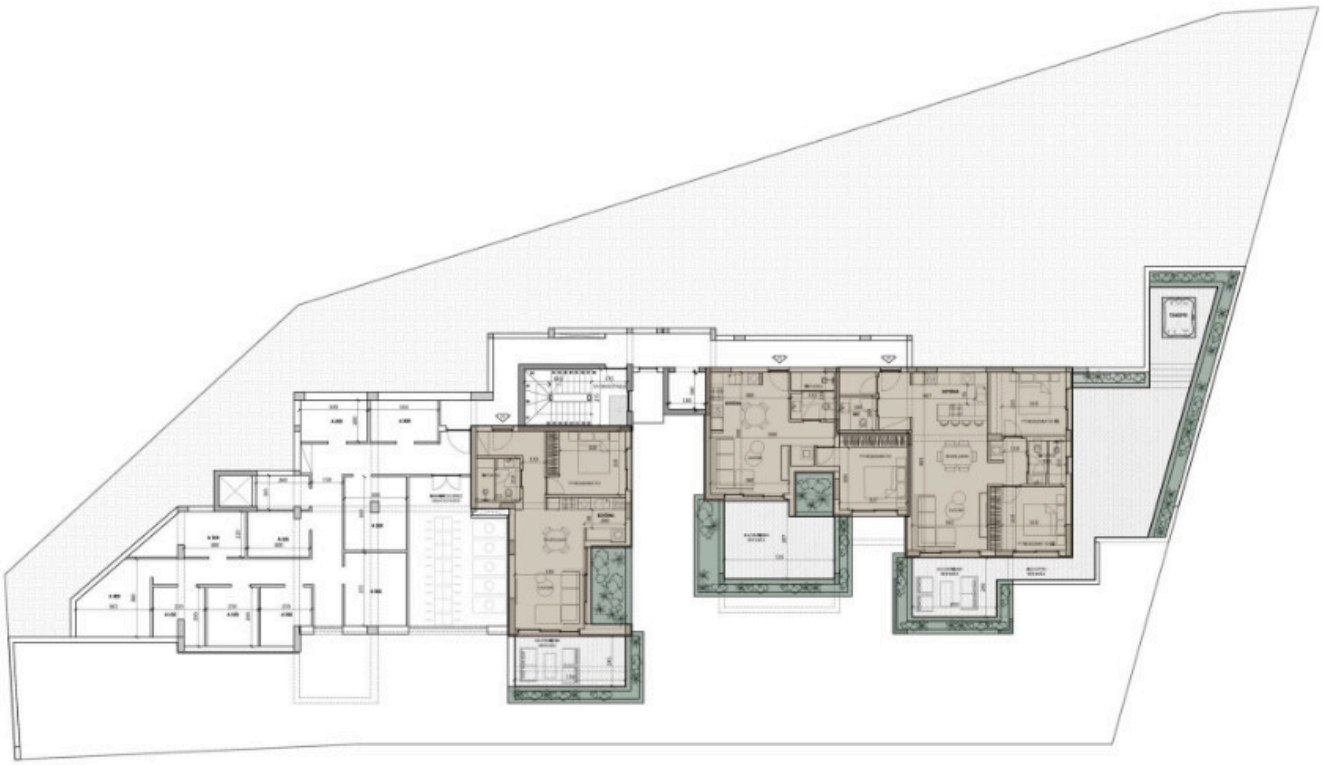

This is an exclusive boutique development of only 11 apartments in Agia Fyla, Limassol, positioned to make its superb sea views a defining part of everyday living. The project combines contemporary architecture, generous verandas, carefully planned interiors, a communal gym, and Class A energy performance supported by photovoltaics and high-grade thermal insulation.

Selected apartments include private gardens and even private swimming pool, creating a home-like living experience rarely found in apartment developments.

At the top of the building, the Penthouse introduces the project's most ambitious residence, with unprecedented features, standout design and a masterpiece swimming pool on the roof garden that commands the breathtaking sea views.
