Description

Residences are designed in two distinct styles that showcase the best the island has to offer: Culture, and Nature.

Through these styles, designer Philippe Starck pays homage to the island's rich tapestry of cultural heritage as well as its incomparable natural environment through the use of high-quality materials, muted tones, and fitted with furniture from the latest Starck collections.

Among the amenities available to residents are a spa, gym, cinema, kids club and business center.

Outdoor sports facilities include a tennis court, bocce area, mini golf, water sports, and yoga and Pilates classes.

The golden sandy bay below offers a marina for yachts and a safe, secluded area for children to play.
