Description

The Project was carefully designed to cater the needs of any commercial activity.

Special attention was given to details including circulation, daylight, and flexibility of use.

The entrance exhibits a spacious and luxurious lobby that gives visitors an impression of grandeur and business confidence.

For the office floors, a raised floor and two balconies allow the client the flexibility to partition the space to cater to everyday business needs.

The roof terrace offers a perfect recreational spot.

Consisting of both covered and uncovered sitting areas, the space offers a nice place to take a break or to have meetings in the sunny outdoor.
