Description

Discover your dream home in this off-plan house located in the charming area of Geri. This spacious residence boasts an impressive 190 m² of internal space, featuring four comfortable bedrooms and three modern bathrooms, perfect for families looking for room to grow.

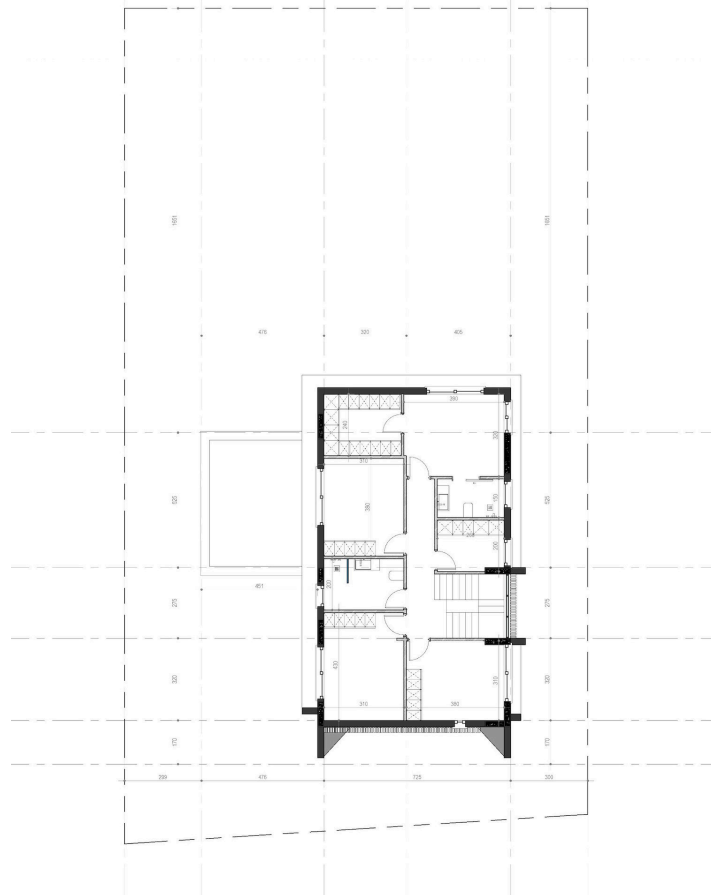

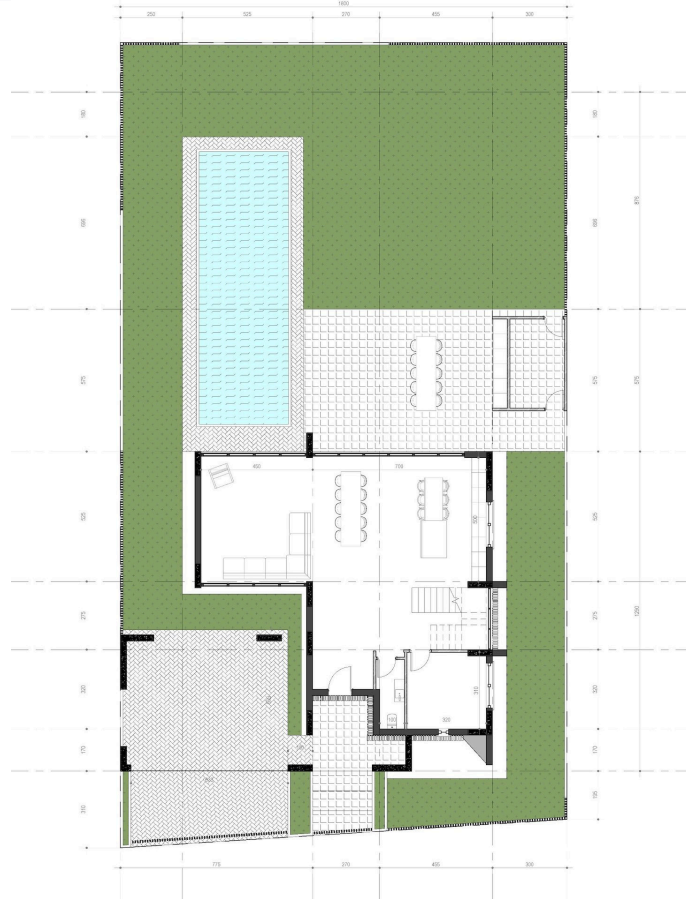

Geri is known for its serene environment, lush greenery, and friendly community. The area offers a perfect blend of tranquility and convenience, with schools, parks, and local shops all within easy reach. Enjoy strolls along peaceful streets or participate in community events that nurture a strong sense of belonging.

This property sits on a large plot, providing ample outdoor space for relaxation and recreation. Imagine sunny days spent by your private swimming pool, hosting barbecues and creating lasting memories with friends and family.

Seize this opportunity to personalize your new home before completion. With generous living areas and a desirable location in Geri, this home offers a wonderful investment for your future.
