Energy efficiency rating

## Description

This well-designed unit offers an impressive internal space of 90 m<sup>2</sup>, featuring two spacious bedrooms and two modern bathrooms.

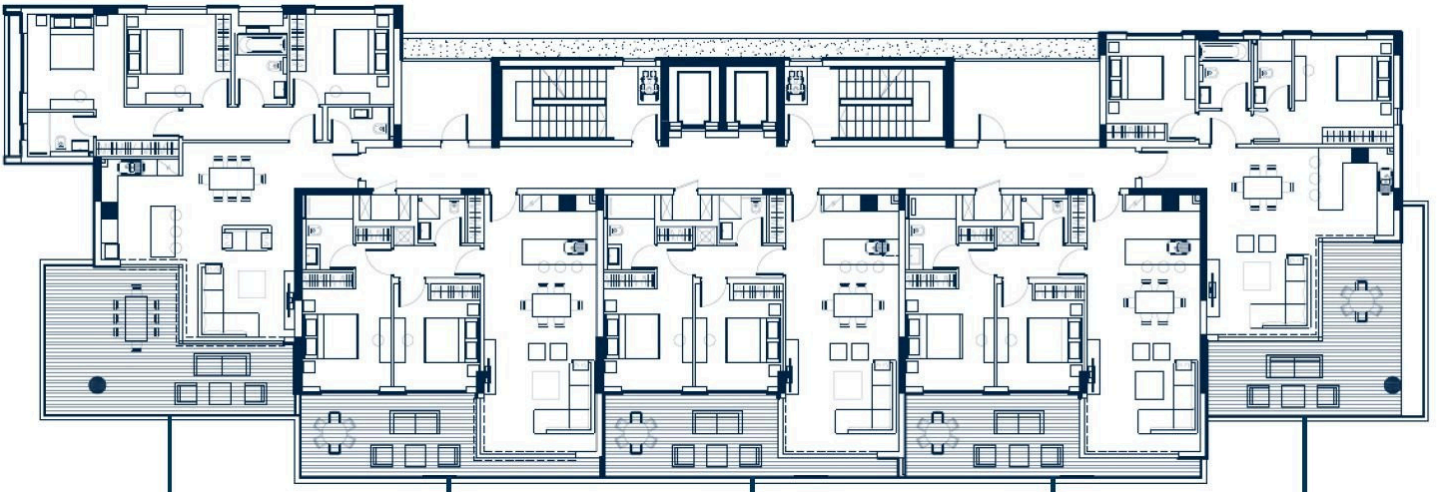

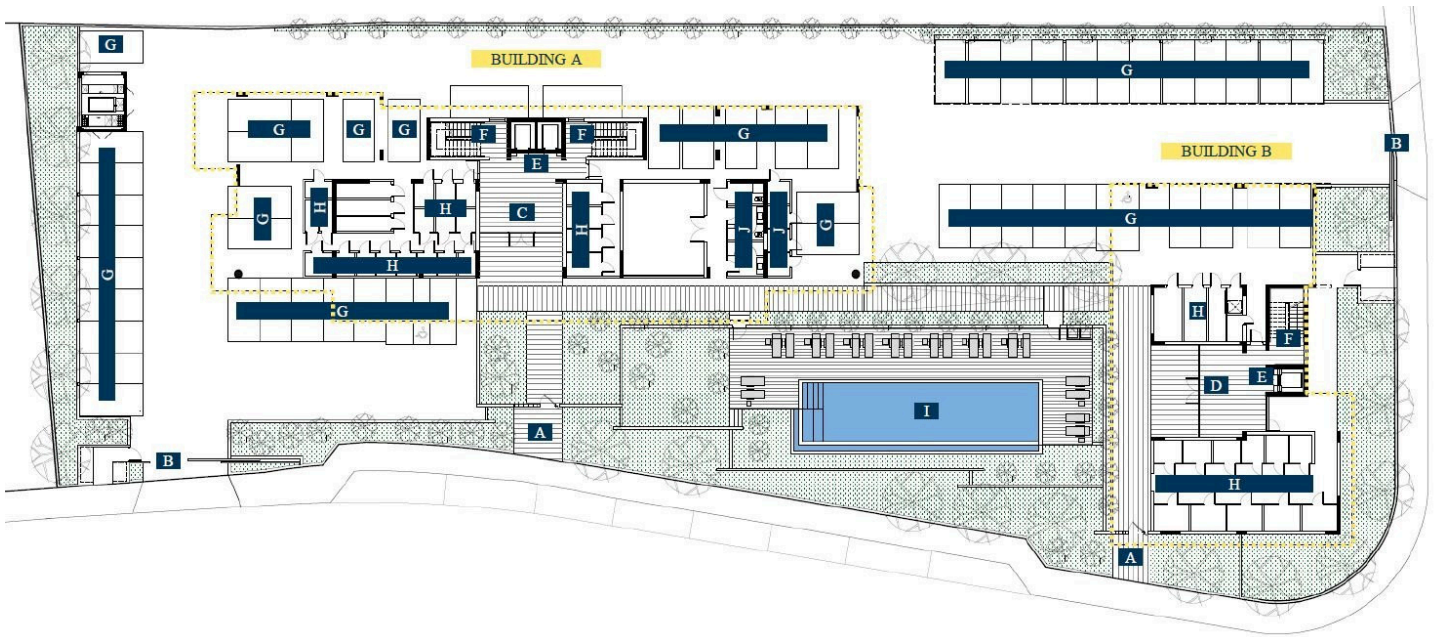

This apartment boasts energy efficiency rating A, ensuring low utility costs while benefiting from a central air conditioning system for year-round comfort. The property also features underfloor heating, perfect for colder months. Set within a gated complex, you can relax knowing security is a priority. Additionally, you can unwind by the communal swimming pool on warm days.

Agios Athanasios is known for its vibrant community and accessible amenities. Residents enjoy a mix of local shops, restaurants, and parks, all within a short distance. The area is also well-connected to main roads, making it easy to explore nearby attractions.
