Description

This is a unique A Shape house in a gated complex, offering a total internal space of 224 m². This modern residence features three spacious bedrooms, three bathrooms, and one guest w/c, designed to provide comfort and convenience for families or individuals seeking a quiet retreat.

The property is located in Moniatis, a peaceful and picturesque mountain village surrounded by lush pine forests and natural beauty. Moniatis is well known for its cool climate during the summer months, making it a popular escape from the heat. The area combines traditional charm with modern amenities. Residents enjoy easy access to local cafes, walking trails, and scenic views, all within a tranquil community setting.
