Description

For sale: A modern house under construction in the attractive area of Episkopi. This spacious home offers a total internal area of 134 square meters, ideal for comfortable family living. The thoughtfully designed layout features three generous bedrooms and two stylish bathrooms, providing ample space for both relaxation and practicality.

Episkopi is known for its peaceful surroundings and friendly community. The area combines quiet residential streets with easy access to everyday amenities such as shops, schools, and parks. Its location allows quick connections to main routes, making commutes and weekend outings very convenient. The neighborhood blends natural beauty with modern comforts, making it a popular choice for both locals and newcomers.

This under-construction property is a perfect opportunity for those looking to personalize their future home. Built with quality materials and designed for modern living, it presents great potential for both personal use and investment.
