Description

An outstanding apartment building under construction in the desirable area of Agios Athanasios. This project offers a total internal space of 521.16 m², thoughtfully designed for modern comfort and style. The building is set to provide spacious living areas, ideal for families or investors seeking a promising opportunity.

Agios Athanasios is a well-established and vibrant community known for its quiet surroundings and family-friendly environment. The area features excellent amenities including supermarkets, schools, parks, and local shops. Its convenient location allows for easy access to the city center while still maintaining a peaceful residential atmosphere.

With an Energy Efficiency rating of A, this apartment building is built to the highest standards, ensuring lower energy costs and a reduced environmental impact. High-quality materials and contemporary finishes are included throughout the development.
