Description

Nestled in a peaceful cul-de-sac in the residential area of Palodeia, this elegant four-bedroom home offers a unique blend of comfort and convenience.

Supermarkets, bakeries, and other essential amenities are just steps away, making it an ideal choice for family living. The property sits on a 343 m² plot, with a covered area of 223 m² spread across two levels. On the ground floor, you'll find a spacious open-plan living room combined with a dining area and kitchen, a cozy bedroom, and a bathroom.

The upper level features three generous bedrooms, including a master suite with its own en-suite bathroom, a home office, a compact kitchen-laundry room, and a family bathroom. The attic provides extra space for a playroom or storage.

The outdoor area boasts a expansive garden with a barbecue zone and a secure storage shed, plus parking for two cars—both covered and uncovered. High-end finishes, such as natural wood parquet flooring, along with modern amenities like underfloor heating, air conditioning, and a built-in music system, create an atmosphere of warmth and sophistication.

The home is sold unfurnished, allowing you to design an interior that reflects your personal style.
