Description

This brand-new residence offers an internal space of 75 square meters, designed for modern living.

The apartment features two bedrooms, two bathrooms, and bright, open living spaces. Large windows bring in natural light, making the home airy and inviting.

Zakaki is a lively district known for its rapid development and proximity to essential amenities. You will find shopping centers, cafes, schools, and leisure facilities all within easy reach. The area is popular among professionals and families who value both accessibility and a sense of community.
